

CONTACTLESS CHECK-IN

Welcome to St Monans Holiday Park

We hope you have a fantastic holiday.

Tourer and tent guest arrivals/departures

1 Your pitch will be ready from 12 noon. Your pitch location is detailed on your e-booking confirmation. Use the park map on the reverse of this page to help find your pitch and drive directly to it. On arrival, look out for a tag attached to the pitch post. Check that the details are correct and attach the tag to your caravan/motorhome or tent. Please arrive between 12 noon and 6pm.

2 The key to your wash block is located in a black key box on your touring post. To open the key box, remove the black cover undoing the clips to the top and bottom. **Enter the 4-digit code detailed under 'key code' on your e-booking confirmation.** Please note that each number needs to be pushed firmly in. Slide down the chrome release button at the top of the box. The front panel will open to reveal the key. Remove the key, replace the front panel, press 'C' and replace the cover.

3 At the end of your holiday, please vacate your pitch by 11am prompt. Leave your pitch as clean and tidy as possible and remove all rubbish and recycling by using the nearby bins. We wish you a safe journey home.

Barbecues

You are welcome to use domestic-style gas or charcoal barbecues. Please ensure that you have read the 'Safe and proper use of barbecues' information detailed within our web FAQs at abbeyford.com.

Electric Supply

Each pitch has an electrical output of 10 amps (2,400 watts of power). Please avoid using too many appliances at once as this can cause electrical tripping.

The above details may change at short notice. Please recheck your e-booking confirmation.
